We acknowledge that The Museum of Flight is on the traditional land of the Duwamish—past, present, and future. We honor with gratitude the land itself, the Coast Salish people, and their place in the ongoing story of aerospace.

The Museum of Flight is dedicated to providing a welcoming experience and safe space for all visitors, staff, volunteers, learners and community members. We respect, celebrate and honor all people and the unique perspective they bring to our institution.

All are welcome.

Museum Campus

Outdoor Aircraft + Map

► The Museum's five galleries span across both sides of East Marginal Way South with the T. Evans Wyckoff Memorial Bridge connecting the West Campus to the East Campus. There are select aircraft located outdoors on our lawns.

East Lawn

1. Lockheed 1049G Super Constellation

South Lawn

2. McDonnell Douglas F/A-18A Hornet

Vietnam Veterans Memorial Park

3. B-52G Stratofortress

Vietnam Veterans Memorial Park

A space for reflection and remembrance of the sacrifices of Vietnam War veterans with the Museum's B-52G Stratofortress 59-2584 *Midnight Express* as the Park's centerpiece. Made possible through the *Project Welcome Home* campaign, which provided support for the restoration of the B-52G.

Park is FREE and open to the public from sunrise to sunset.

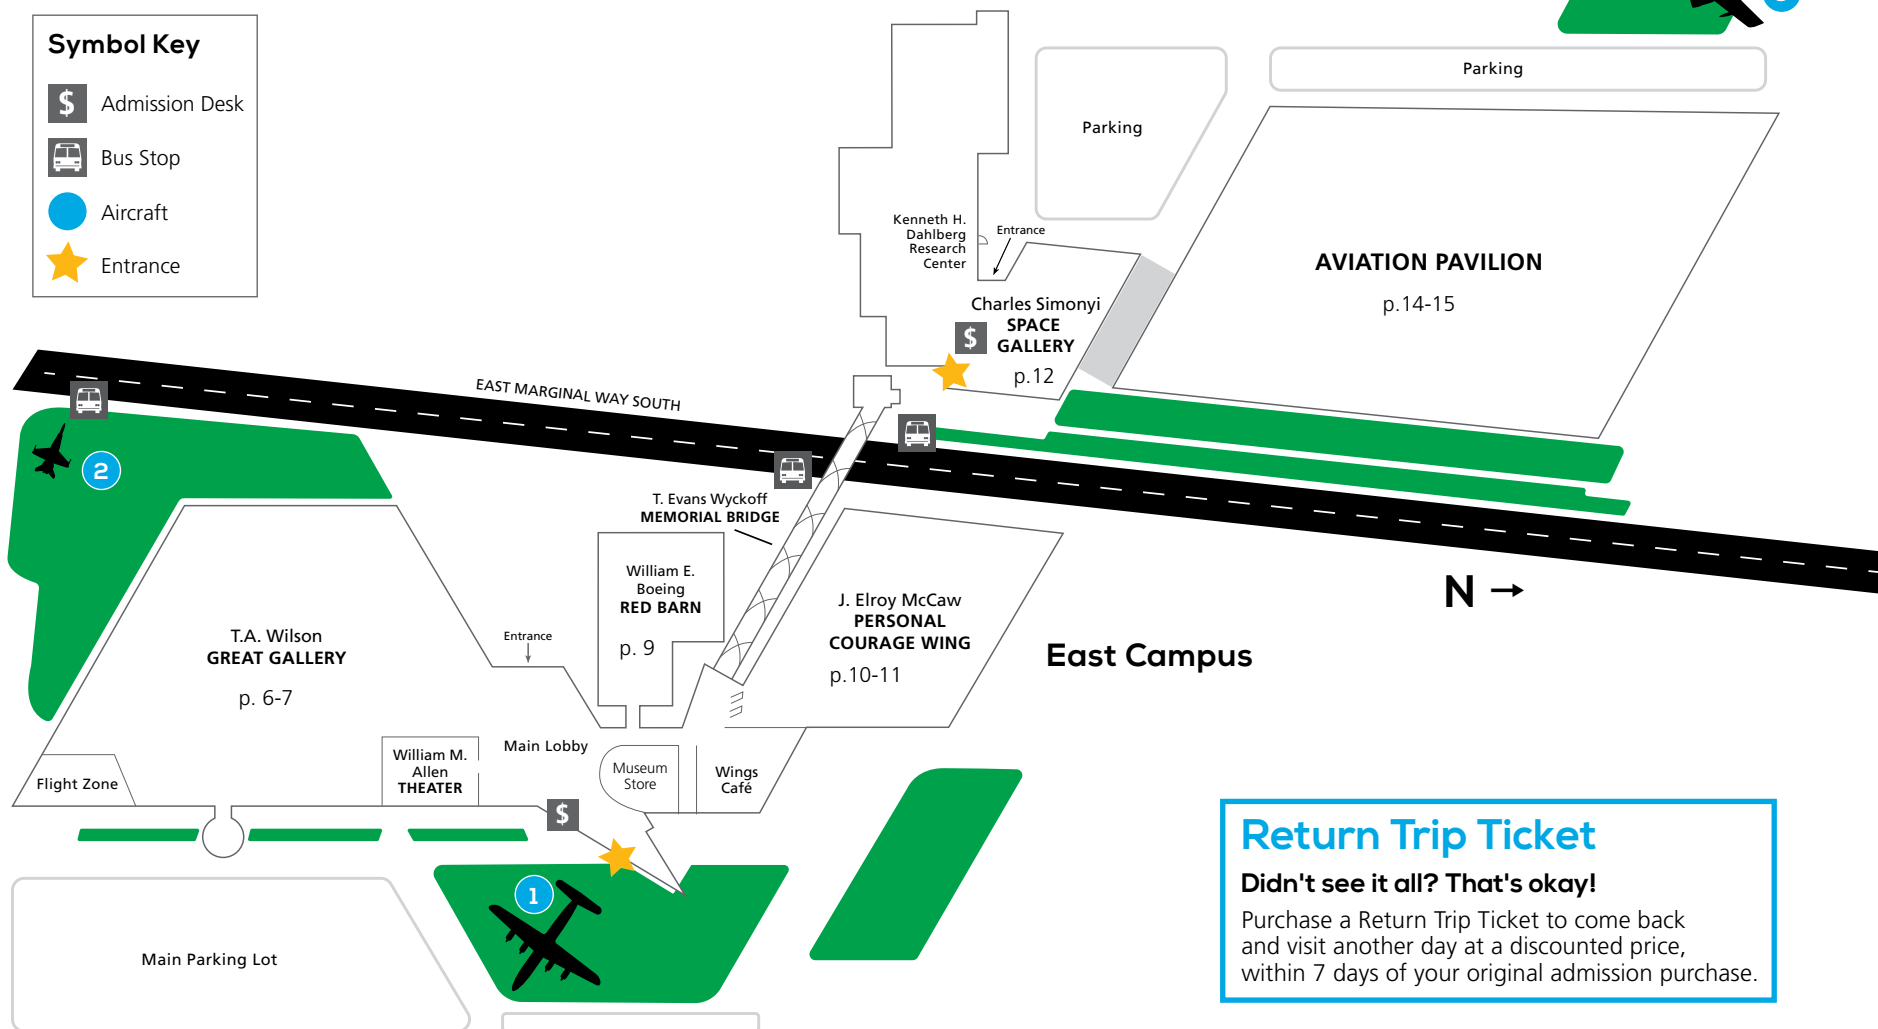

HELPFUL HINT:

We recommend driving to the Park to visit before or after you tour the Museum.

Did you know?

The WWI Gallery is on the second floor because the WWI planes are lighter in weight.

Charles Simonyi Space Gallery

Spacecraft + Map

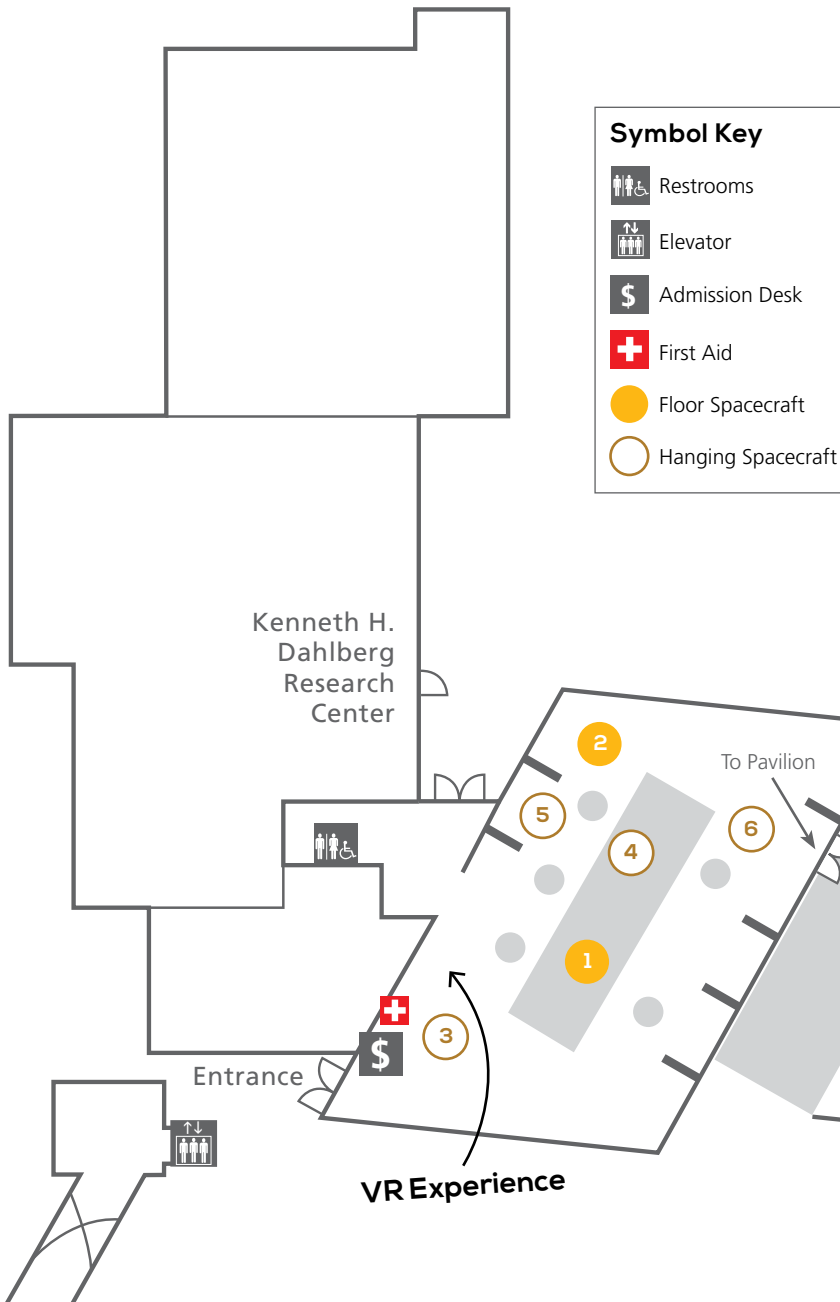

► Now everyone can be an astronaut! Board the famous Space Shuttle Trainer and walk in the footsteps of heroes. Discover how they learned to live and work in space and find out what's next as we venture to the International Space Station, Mars and beyond.

Did you know?

The Museum's Library and Archives contains over 120,000 books, manuals and journals and over 4 million photographs.

Through the Museum's Dahlberg Research Center, researchers, students and visitors can explore more of the Museum's collection beyond what we have on display in our galleries.

For more information or to make an appointment, call 206.764.5874, visit museumofflight.org/research, or send an email to curator@museumofflight.org.

Spacecraft (Floor)

1. NASA Full Fuselage Trainer
2. Soyuz TMA-14 Descent Module

Spacecraft (Hanging)

3. Scaled Composites SpaceShipOne (*1:1 scale model*)
4. Boeing Inertial Upper Stage (*mock-up*)
5. Boeing Global Positioning System IIF Satellite
6. Hubble Space Telescope (*1:2 scale model*)

AVIATION PAVILION

Please see the next pages.

Aviation Pavilion

Aircraft + Map

► Walk among giants in our covered, outside pavilion featuring rare and unique commercial and military aircraft from the 1930s to the present. You'll see the very first Boeing 747, a Boeing 787 and the West Coast's only Concorde! Also, the first jet Air Force One, the first 727 and the first 737.

Note: Aircraft open for touring are subject to change/closure. Please check the website or with any Staff Member for today's availability.

FedEx Air Cargo Exhibit

Built from the fuselage of a former FedEx Boeing 727 freighter, this first-ever exhibit is a highly interactive, behind-the-scenes look inside the world of air deliveries.

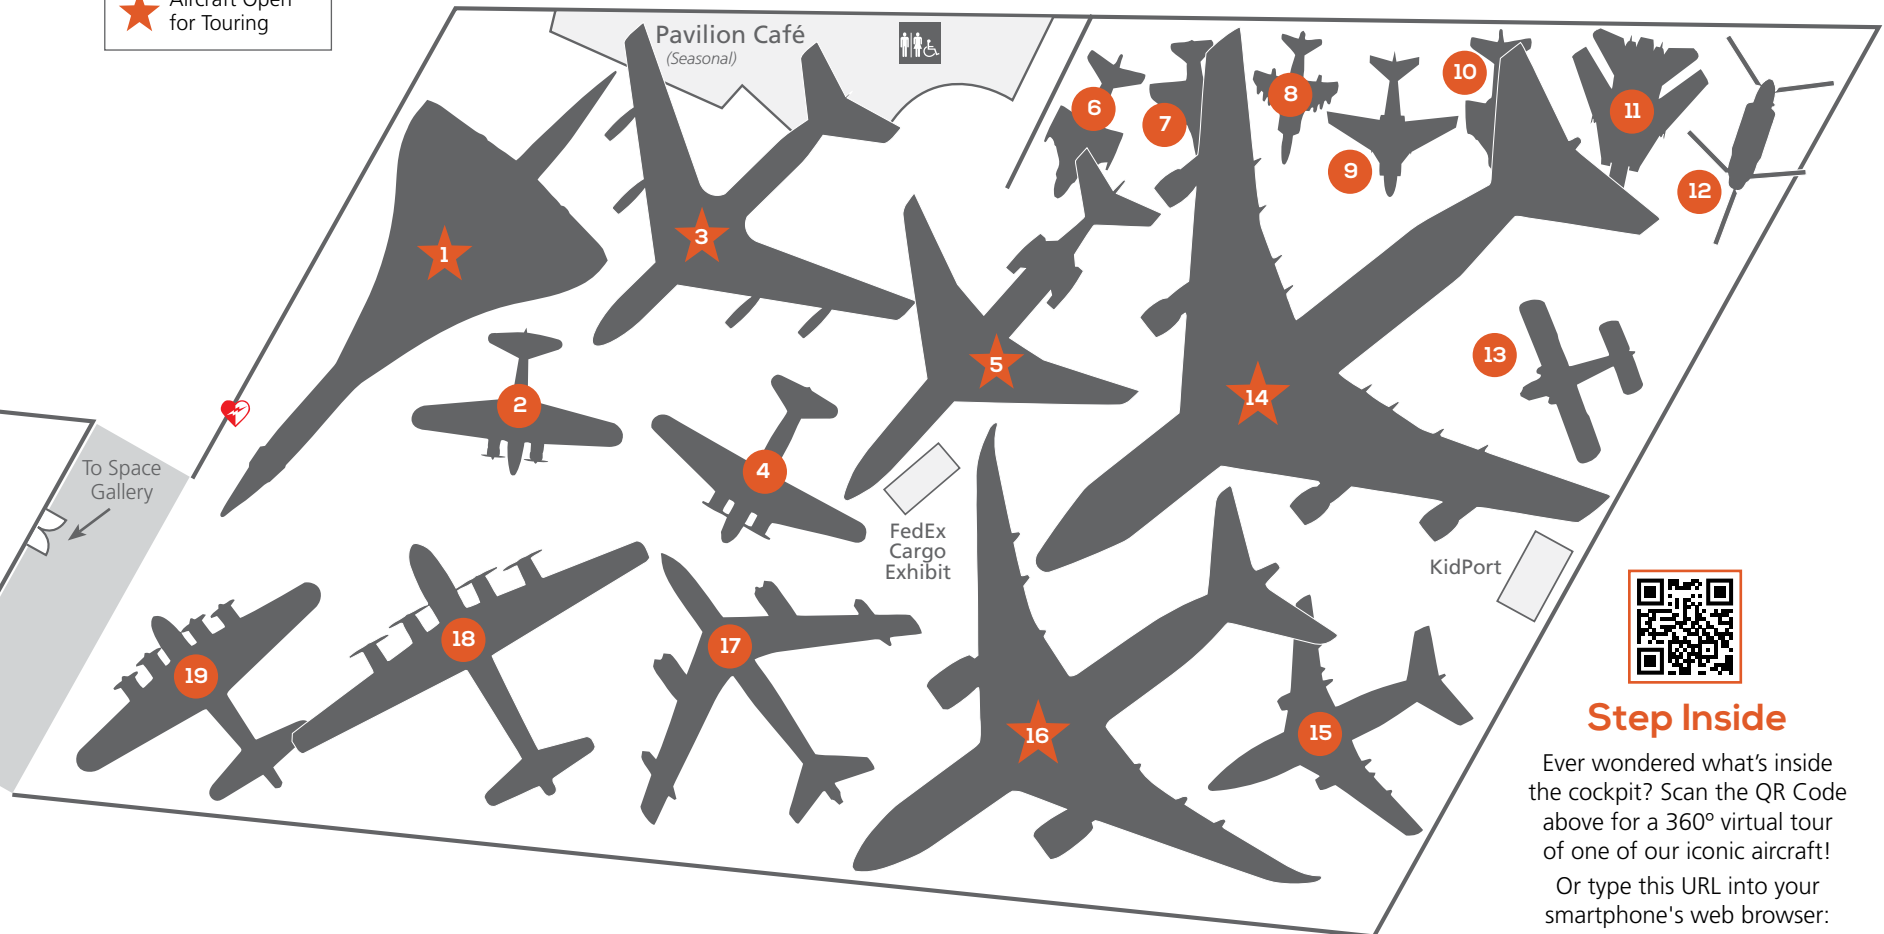

Sponsored by FedEx

Aircraft

1. Concorde
